

**St Chrysostom`s
Newsletter
January 2024**

Dear Parents and Carers,

Happy New Year!

It has been lovely to welcome all our children and their families back to school this week. As we start a new year, our focus is on the children and ensuring they are happy, safe and ready to learn. We appreciate your ongoing support with this. I hope you have all had a lovely break with your loved ones and all of St Chrysostom's wish you a very happy new year!

Visits and Workshops

We have some exciting visits booked in this month:

Year 3 and Year 6 took part in robotic workshops as part of their computing lessons on Friday 5th January.

Year 3 will take part in Stone Age workshops on Tuesday 9th January as part of their history topic.

Year 5 will be taking part in a hockey competition against St John's on Thursday 25th January.

Attendance

Attendance is very important and missing just a few days of school can have an impact on the progress pupil's make. Please support school by sending your child in on a regular basis.

Year 6 After-School Boost

All Year 6 pupils are invited to after-school boost sessions for reading and maths. These will take place week beginning Monday 22nd January. Year 6 teachers will provide information shortly. Please encourage your child to attend as they form part of our SATs preparation.

Winter Weather

Please ensure your child brings an appropriate winter **coat** to school **each day**. January can often turn very cold and children need to have suitable clothing to keep them warm. Hats, gloves and scarves are also a good idea. Please ensure these items have names in them.

Thank you

Thank you for all your ongoing support. It really is a pleasure to watch your children grow and learn over the year and I look forward to the term ahead.

Yours sincerely

Mrs F. Dean
