

How to access Seesaw for your home learning

1. Click on the link below:

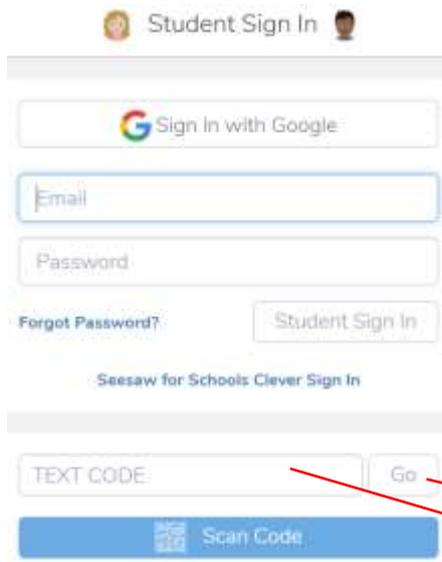

<https://app.seesaw.me/#/login>

You will see this:

2. Click on I'm a Student.

You will see this:

3. Enter the code you have been given in to the box where it says TEXT CODE then click Go. You must enter your code correctly ALL IN CAPITAL LETTERS. Copy and pasting your code is better as you won't type it in wrong.

4. You will now see this:

The screenshot displays a user interface for a learning activity. On the left, a document viewer shows a page with a header '1 / 2' and a title 'Sum 1, W1, Day 1-Mon 20/04/20'. Below the document, there is a 'Waiting for Response' status bar. To the right of the document, a play button icon is followed by the text 'Play Instructions (0:12)'. At the bottom right, there is a green button with a plus sign and the text 'Add Response'.

Click on Play Instructions to find out what you need to do or read the instructions.
