Agenda items

1. Mary's Meals
2. Promoting Kindness
3. AOB

1. We discussed how well Mary's Meals went and how much we had helped to raise which we were very proud of.

2. We talked about how to promote kindness and tolerance within our school – lots of us thought we were a very kind school already but can always do better.

Ideas we came up with:

- Assembly on kindness – with acting/facts
- Design a lesson on kindness for the class.
- Order some books about kindness.
- Create a poster or letter about kindness at St Chrysostom's

3. Year 6 councillors thought we could incorporate all of these ideas into a kindness themed week similar to mental health week with a short activity for each day.
