- Welcomed everyone and reminded ourselves of what we discussed during the last meeting.
- We split into two groups - one with Miss Weddle and one with Mr Fitzpatrick. Miss Weddle's group were responsible for designing a template for competition entries and Mr Fitzpatrick's group were responsible for creating a PowerPoint to show at our assembly.
- Both groups completed their tasks and they are ready.
- The assembly will take place on the 9<sup>th</sup> May.
- Well done everyone!
